## **NON-TRANSFERABLE LIMITED CONSUMER WARRANTY**

.....

This product is sold with a LIMITED 90-day manufacturer's warranty. Directed Electronics ("Directed") promises to the original purchaser that the product will be free from defects in materials and workmanship under normal use and condition for a period of ninety (90) days after the date of purchase. A sales receipt and/or warranty registration card is required to provide proof of date of purchase of the Product.

Product defect occurring within the first 90 days after retail purchase by the end consumer will be repaired or replaced with new or reconditioned part(s), at Directed's sole election. To obtain warranty service, the Product must be returned, postage pre-paid addressed to Directed, along with a legible copy of the receipt and the following information: Consumer's name, telephone number and address, authorized dealer/purchase location name and address and product description. ALL PRODUCTS RECEIVED BY DIRECTED FOR WARRANTY REPAIR WITHOUT PROOF OF PURCHASE WILL BE DENIED. Note: This warranty does not cover labor costs for the removal or reinstallation of the Product. Product must be returned to the following address: ATTN: WARRANTY DEPARTMENT, Directed Electronics, 1 Viper Way, Vista, CA 92081.

This warranty is non-transferable and does not apply to any Product that has been modified or used in a manner contrary to its intended purpose, and does not cover damage to the Product caused by installation or removal of the Product. This warranty is VOID if the product has not been purchased from Directed or an authorized Directed dealer, or if the Product has been damaged by accident, unreasonable use, negligence, acts of God, neglect, improper service or other causes not arising out of defect in materials or construction. This warranty does not cover the elimination of externally generated static or noise, or the correction of antenna problems or weak television reception, damage to tapes, video games, software, camcorders, discs, speakers, accessories, electrical systems, cosmetic damage or damage due to negligence, misuse, abuse, failure to follow operating instructions, accidental spills or customer applied cleaners, damage due to environmental causes such as floods, airborne fallout, chemicals, salt, hail, windstorms, lightning or extreme temperatures, damage due to accidents, road hazards, fire, theft, loss or vandalism, damage due to improper connection to equipment of another manufacturer, modification of existing equipment, use of a faulty tape cartridge or cleaning, or Product which has been opened or tampered with for any reason or which has been damaged due to alteration or service performed by anyone other than Directed. This warranty is only valid for sale of Product within the United States of America. Product sold outside of the United States of America is sold "AS IS," and shall have NO WARRANTY, express or implied

THIS LIMITED WARRANTY IS THE ONLY WARRANTY FOR THIS PRODUCT. ALL OTHER WARRANTIES, INCLUDING BUT NOT LIMITED TO EXPRESS WARRANTY, IMPLIED WARRANTY, WARRANTY OF MERCHANTABILITY, FITNESS FOR PARTICULAR PURPOSE, AND WARRANTY OF NON-INFRINGEMENT OF INTELLECTUAL PROPERTY ARE EXPRESSLY EXCLUDED TO THE MAXIMUM EXTENT ALLOWED BY LAW, AND DIRECTED NEITHER ASSUMES NOR AUTHORIZES ANY PERSON TO ASSUME FOR IT ANY LIABILITY IN CONNECTION WITH THE SALE OF THE PRODUCT. DIRECTED HAS ABSOLUTELY NO LIABILITY FOR ANY AND ALL ACTS OF THIRD PARTIES INCLUDING ITS LICENSED DEALERS OR INSTALLERS. IN NO EVENT WILL DIRECTED BE LIABLE FOR ANY INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES (INCLUDING LOSS OF PROFITS). BY PURCHASING THIS PRODUCT, THE CONSUMER AGREES AND CONSENTS THAT ALL DISPUTES BETWEEN THE CONSUMER AND DIRECTED SHALL BE RESOLVED IN ACCORDANCE WITH CALIFORNIA LAWS IN SAN DIEGO COUNTY, CALIFORNIA.

Some states do not allow limitation on how long an implied warranty lasts. In such states, the limitations or exclusions of this Limited Warranty may not apply. Some states do not allow the exclusion or limitation of incidental or consequential damages. In such states, the exclusion or limitation of this Limited Warranty may not apply to you. This Limited Warranty gives you specific legal rights, and you may have other rights which vary from state to state.

# SAFETY INSTRUCTIONS AND CAUTIONS

---

**WARNING:** TO REDUCE THE RISK OF FIRE OR ELECTRIC SHOCK, DO NOT EXPOSE THIS EQUIPMENT TO RAIN OR MOISTURE. TO REDUCE THE RISK OF FIRE OR ELECTRIC SHOCK AND ANNOYING INTERFERENCE, USE ONLY THE INCLUDED HARDWARE.

THIS MONITOR IS ONLY DESIGNED FOR REAR SEAT PASSENGER VIEWING AND IS NOT INTENDED FOR VIEWING BY THE DRIVER WHILE THE VEHICLE IS IN MOTION. SUCH USE MAY DISTRACT THE DRIVER OR INTERFERE WITH THE SAFE OPERATION OF THE VEHICLE, AND MAY ALSO VIOLATE STATE LAW.

DIRECTED ELECTRONICS DISCLAIMS ANY LIABILITY FOR ANY BODILY INJURY, INCLUDING FATALITIES, OR PROPERTY DAMAGE THAT MAY RESULT FROM ANY IMPROPER OR UNINTENDED USES OF THIS PRODUCT.

SHOULD THE LCD PANEL BREAK OR LEAK FLUID, AVOID ALL CONTACT WITH THE UNIT. IF YOU SHOULD COME IN CONTACT WITH THE LEAKED FLUID, WASH THE AFFECTED AREA THOROUGHLY WITH WATER AND SEEK IMMEDIATE MEDICAL ATTENTION.

- During operation, if the unit should over-heat or malfunction, switch off the unit and see your dealer. Do not disassemble the unit as there are no user-serviceable parts in this unit and the warranty will be voided.
- Should there be a need to replace a blown fuse, turn off the unit and disconnect all power to the player. Use only the correct rating fuse to avoid electrical damage to the unit.
- Only operate the monitor as described in this guide. Attempts to use or modify this monitor contrary to the descriptions in this guide may cause damage and void the warranty.
- Extremes in temperature can cause abnormal display operation. This monitor has an optimal operating temperature range between 32–120 degrees Fahrenheit. If the vehicle interior is outside this range, do NOT operate the monitor until the temperature is within its operating range.
- Exposure to moisture or dust can cause harmful damage to the internal electronics. Do not mount near cup holders or in areas where spills may occur.
- This monitor is designed for use in vehicles with standard (-) 12 volt ground electrical systems.
- Do not operate for an extended period of time without the engine running or the vehicle's battery voltage may drop to levels precluding engine starting.
- Do not drop the LCD panel or subject it to direct impact. This will damage the panel and/or the back light element.
- When operating the unit, avoid contact with the LCD panel.
- Prevent metal or foreign objects being locked between the LCD screen and the enclosure.
- Keep unit away from equipment with strong magnets such as large loudspeakers.

- Use the Proper Power Supply This product is designed to operate with a 12 volt DC, negative ground battery system.
- Protect the Disc Mechanism
- Avoid inserting any foreign objects into the disc driver of this player. Failure to observe this may cause malfunction due to the precise mechanism of this unit.
- Use Authorized Service Centers
- Do not attempt to disassemble or adjust this precision product. Please refer to the Service Center list that is included with this product for service assistance.

**CAUTION:** MOBILE DVD PLAYER IS A CLASS I LASER PRODUCT. HOWEVER THIS MOBILE DVD PLAYER USES A VISIBLE/INVISIBLE LASER BEAM WHICH COULD CAUSE HAZARDOUS RADIATION EXPOSURE IF VIEWED DIRECTLY. BE SURE TO OPERATE THE MOBILE DVD PLAYER CORRECTLY AS PER THE INSTRUCTIONS.

USE OF CONTROLS OR ADJUSTMENTS OTHER THAN THOSE SPECIFIED HEREIN MAY RESULT IN HAZARDOUS RADIATION EXPOSURE.

DO NOT OPEN COVERS AND - DO NOT REPAIR YOURSELF. REFER SERVICING TO QUALIFIED PERSONNEL.

**WARNING:**

- .. TO REDUCE THE RISK OF FIRE OR ELECTRIC SHOCK, DO NOT EXPOSE THIS EQUIPMENT TO RAIN OR MOISTURE.
- .. TO REDUCE THE RISK OF FIRE OR ELECTRIC SHOCK, AND RADIO INTERFERENCE, USE ONLY THE RECOMMENDED ACCESSORIES.
- .. THIS DEVICE IS INTENDED FOR CONTINUOUS OPERATION.

This product incorporates copyright protection technology that is protected by method claims of certain U.S. patents and other intellectual property rights owned by Macrovision Corporation and other rights owners. Use of this copyright protection technology must be authorized by Macrovision Corporation, and is intended for home and other limited viewing uses only unless otherwise authorized by Macrovision Corporation. Reverse engineering or disassembly is prohibited.

#### Region Management Information

Region Management Information: This Mobile DVD Player is designed and manufactured to respond to the Region Management Information that is recorded on a DVD disc. If the Region number described on the DVD disc does not correspond to the Region number of this Mobile DVD Player, this Mobile DVD Player cannot play this disc.

## WELCOME

---

Thank you for your purchase of Directed's Dockable / Portable. Prior to operating this unit, please fully read this instruction manual and retain it for future reference.

Congratulations on your purchase of the world's finest video entertainment system. At Directed we are committed to bringing you the most technologically advanced products available. We are pleased that you chose a Directed Mobile Media product. Through years of critical testing and hand craftsmanship, we have created a wide range of video entertainment products for your viewing pleasure.

The 10.2" Dockable / Portable Video System can provide all the functions of a television as well as the functionality of a DVD player for your viewing pleasure.

This system incorporates the use of on screen display menu controls that allow you to configure the system to suit your own personal preferences. For your listening flexibility, audio can be heard by included infrared (wireless) headphones or the built in wireless FM transmitter.

To view other great products from Directed Electronics, please visit the Directed Mobile Media page at [www.directedmobilemedia.com](http://www.directedmobilemedia.com)

## WHAT'S INCLUDED

---

The following items are included with your purchase of the DP1020:

- AC/DC power adapter
- AV Cable
- Car adapter
- Owner's Manual
- Carry Case
- Remote Control
- Headrest mounting bag

Home docking station (HD1020) with:

- 1) AM antenna
- 2) FM antenna
- 3) AC to DC power adaptor
- 4) Remote Control

# IMPORTANT INFORMATION

---

## PROPER USE

Do not touch the screen. Do not pull or hang from the fold down monitor door.

## REPAIRS

If the monitor stops working for any reason, discontinue use immediately and consult with your retailer about any necessary repairs.

## RADIO/TV TUNER USE

When the unit is used in conjunction with a Radio/TV tuner, please assure that the receiver is manufactured to receive television broadcast signals that are transmitted via terrestrial radio waves. Reception quality will change and vary according to vehicle location and weather conditions.

## INSTALLATION

Avoid installing the monitor at a location, where it will be under direct sunlight or a hot air vent. The operating temperature of the unit is from 32–120°F (0–50°C). Install the unit at a dry location, where it is away from condensation.

Use only the correct size fasteners and cables during installation. Failure to do so may cause a mechanical or electrical failure and create a fire hazard. The installation should be done by an authorized Directed dealer.

***NOTE:** If the internal temperature of the vehicle is higher than the normal operating temperature, please allow the vehicle to cool down (or warm up if temperature is below normal operating temperature) prior to operating the unit.*

## **PICTURE QUALITY**

The picture quality of this LCD unit depends strictly on its installed location. To achieve the best picture quality, adjust the brightness control or viewing angle of the unit until the optimum viewing is achieved.

## **FCC NOTICE**

This device complies with Part 15 of FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesirable operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this device.

# FEATURES

---

## Features of the DP1020

- Compatible with PAL DVD (Video CD) NTSC DVD (Video CD) and MP3
- Rechargeable, battery powered DVD with 10" wide screen
- 10.2 Inch Color TFT Monitor Selectable Aspect Ratio 16:9, 4:3 & Screen Off
- On Screen Display
- Headphone Jack
- Full Function Remote Control
- IR headphone transmitter
- FM radio transmitter for audio

## Home dock (HD1020) with:

- TV tuner
- Radio (AM/FM) tuner
- Clock / Alarm Clock
- A/V interface
- Speakers and amplifier
- Battery charging station for DVD when docked.

## DISC NOTES

---

Disc formats supported by this player

DVD

Video CD

CD

MP3

- .. Handling and Cleaning
- .. Dirt, dust, scratches and warped discs will cause misoperation.
- .. Do not place stickers or make scratches on discs.
- .. Do not warp discs.
- .. A disc should always be kept in its case when not in use to prevent damage to disc.
- .. Do not place discs in the following places:
  1. Direct sunlight.
  2. Dirty, dusty and damp areas.
  3. Near any heat sources.
  4. On the seats or dashboard.

### Disc Cleaning

Use a dry soft cloth to wipe the surface. If the disc is quite dirty, use a soft cloth slightly moistured with isopropyl (rubbing) alcohol. Never use solvents such as benzine, thinner or conventional record cleaners as they may mar the surface of the disc.

### Preparing New Discs with Rough Spots

A new disc may have rough edges on its inside and outside edges. If a disc with rough edges is used, disc may not be clamped correctly and the player will not play the disc. Therefore, remove the rough edges in advance by using a ballpoint pen or pencil as shown below. To remove the rough edges, run the side of the pen or pencil around the inside and outside diameters of the disc.

Note: A disc may become somewhat scratched (although not enough to make it unusable) depending on the way it is handled and conditions in the usage environment. Note that these scratches are not an indication of any problem with the player.

# DVD OPERATION

---

## DVD Player

1. Disc Slot
2. ON-OFF/STOP
3. SETUP/MENU
4. left navigation / back or previous
5. /VOL-
6. /VOL+
7. right navigation / forward or next
8. OK
9. PAUSE/MODE
10. MUTE/EJECT
11. IR (Remote Sensor)
12. 17 Pin Shuttle Interface Connector
13. AV IN
14. AV OUT

- 15. Earphone Jack
- 16. DC 12V IN
- 17. IR transmitters for IR headphones

**Portable DVD main unit system settings:**

Menu Function

Shortly press SETUP button on the front panel or MENU on remote during DVD, AV, or TV mode to display the adjustment items on screen 1. Use the up / down navigation buttons on the DVD or remote to select the item and the left / right navigation buttons on the DVD or remote to adjust the settings.

(Screen 1)

BRIGHTNESS	adjust 0 to 63 preset at 32

*.. The disc format is not according to the TV-set used (PAL/NTSC).*

#### *BUTTONS DO NOT WORK*

*.. Turn the player off and on with the power on/off button on the front of the player.*

## SPECIFICATIONS

Supply voltage: 12V DC (11V-15V), test voltage 14.4V, negative ground

Current consumption: Less than 2A

Battery charge voltage: 12V DC

Signal system: Compositive video  $1.0\pm 0.2V_{p-p}$  75.

Discs played:

- (1) DVD-VIDEO disc
- (2) Compact disc (CD-DA/CD-R/CD-RW/MP3/MP4)
- (3) VIDEO CD

Audio output level: 10k. (2 ch  $2.0\pm 0.5V_{rms}$ )

Audio signal output characteristics:

- (1) Frequency response: 20 Hz-20 kHz
- (2) S/N ratio: 80 dB (JIS)
- (3) Wow and Flutter Below measurable limits
